The photographers who create these images are masters of making the human form look good to the opposite sex. Your client will just have more clothing on. The purpose of defining each type of posing, as well as determining the reason the portrait is being taken, is to have a direction for the session.

Posing for Portrait Photography - ?????? ?????

In the first half of The Photographer's Guide to Posing, Lindsay discusses how the camera sees, and thus how camera angle, lens choice, and perspective all affect the appearance of your subject. Lindsay then covers the five most important things that ruin a pose?such as placement of the hands, and your subject's expression and posture.
