The broken windows theory is a criminological theory that visible signs of crime, anti-social behavior, and civil disorder create an urban environment that encourages further crime and disorder, including serious crimes. The theory suggests that policing methods that target minor crimes such as vandalism, public drinking, and fare evasion help to create an atmosphere of order and lawfulness ...

7 Racial Bias and Disparities in Proactive Policing. The high rates at which non-Whites are stopped, questioned, cited, arrested, or injured by the police present some of the most salient criminal justice policy phenomena in the United States (Kochel, Wilson, and Mastrofski, 2011; Lytle, 2014). Because these kinds of police contact are associated with at least some forms of what is known as ...

The under-representation of women at any level of governance and decision-making results in a democratic deficit. It has been proven time and again that diverse groups make better decisions. This is particularly true when it comes to a task as challenging as representing the interests of citizens at the local level. Often influencing policies in housing, security, transport, and the economy ...
